NEW FACES AT LUMC

MEET

***Ezekiel
Koech,***

OUR INCOMING PASTOR

When Ezekiel Koech was growing up in a village in Kenya, he was called by God to become a pastor. In his faith journey, he had the opportunity to travel to Asbury College in Kentucky for a year of studies and then would go back to Africa and become a minister. Alice, his wife, grew up in another Kenyan village. Alice also felt the call to ministry when she was in high school. Her family members, several of whom weren't Christian, were opposed to her plan to go to Bible college, but God's call was strong. Ezekiel and Alice were drawn to God's love—drawn to tell others that "God cares about you."

Because there were no openings in his home country, Ezekiel was offered a charge in the Great West District in Nebraska (which is now part of the Great Plains Conference). Although it wasn't Ezekiel's plan, it was God's plan, and Ezekiel said that "God kind of opened up and expanded my world view. I realized I could minister anywhere."

Today Ezekiel and Alice have 3 children. This year Roy graduates from Fort Hays State University, Abigail graduates from high school, and Zach is in the 7th grade. Ezekiel and Alice have both pastored in Nebraska. Ezekiel has been pastoring at Trinity UMC in Russell, Kansas for the past 4 years. Alice has taken some years off from being a pastor to be more present in the children's lives, but Ezekiel will become OUR pastor on July 1 of this year. The Staff Parish Committee met with Ezekiel, Alice and Zach on February 16. They are a family devoted to serving God and they feel blessed for this next challenge. As they walk in their spiritual journey, we are blessed to join them on this path and explore God's purpose for our lives through new ideas and new perspectives.

The Staff Parish Committee invites you to be in prayer for Ezekiel, Alice and their family as they prepare to transition from Russell to Lenexa.

Thanks be to God.

Cathy Boyd, Staff Parish Chair

NEW FACES AT LUMC (cont.)

Trudi Wenger will be joining the office staff, starting on February 26, as the Office and Communications Assistant. She brings to Lenexa United Methodist Church 32+ years of IT experience from the City of Lenexa. Trudi and her husband David lived for 22 years in Lenexa, where they raised 3 boys. Currently they reside in Eudora, Kansas. Trudi retired in June and is looking forward to new adventures.

We are grateful for the work Charity has done over the last year+ and will miss her in the office on a daily basis but look forward to still seeing her in a volunteer role.

Capital Campaign update— we're under \$250,000!

\$244,008.09! This is the amount of outstanding debt we have on the education building. As we close in on our June 150th Celebration, if we can't eliminate it, we want to at least have this amount as small as possible. New donations, new pledges, and acceleration of existing pledges are all welcomed and encouraged between now and June 30th. Every month, we now pay \$722 in interest. Want to help us by paying a month's interest? There are "I have a 'Special Interest' in LUMC" forms printed on green paper available outside of the sanctuary. Your financial support of our church and this 150-year-old ministry is greatly appreciated!

WORLD SERVICE FUND

***“Then I heard the voice of the Lord saying, ‘Whom shall I send, and who will go for us?’
And I said, ‘Here am I; send me!’” —Isaiah 6:8, NRSV***

Did you know the General Board of Church and Society maintains a searchable database of books (<https://www.umcjustice.org/sacred-worth-books>) that teach that every child is wonderfully created in God’s image?

Our earliest understandings of ourselves and our self-worth often reflect what we see around us. The first images we see as children are those of our closest family members and community, and books and other forms of media. What happens when the majority of the images that society projects do not portray the strength, beauty and brilliance that God created? Books that reflect the diversity of God’s creation help decrease the bias children learn as they grow older and enable children to see themselves represented and a part of the tapestry of life that God has given us.

Thanks to our congregation’s support of the World Service Fund through our conference mission share, the Board of Church and Society finds new ways to relate the gospel of Jesus Christ to the church, the community and the world. Thank you!

UMCOR SUNDAY

We will observe UMCOR Sunday (formerly One Great Hour of Sharing) on March 31.

When disaster strikes around the globe, the United Methodist Committee on Relief is prepared to act. Since 1940, UMCOR has responded to those in desperate need—today throughout more than eighty countries around the world. The response of UMCOR isn't something "they" do, it's something "we" do.

Giving on UMCOR Sunday is what allows UMCOR to act as the arms and legs of Christ's church, moving toward the most vulnerable in their darkest days. Convinced that all people have God-given worth and dignity—without regard to race, religion or gender—together we are assisting those impacted by crisis or chronic need.

Because of our gifts, the United Methodist Church's compassionate response to human suffering continues today.

Praise Bells at 9:00, Celebration Bells at 10:30.

THEME FOR LENT:

Places Along the Way

The season of Lent is a time of reflection and repentance as we journey to the cross with Jesus. We begin with a reminder that from dust we are made and to dust we shall return, as we celebrate Ash Wednesday. We then follow Jesus into the desert, where he claims his identity in order to help others claim theirs. Along the way, the disciples, a Samaritan woman, the vineyard laborers, and the blind men beside the road are given new identity through Christ. We are encouraged to identify those places in our own lives where disappointment, struggle and pain have kept us from experiencing the fullness of life God offers and open ourselves to that new life in Christ.

MARCH 6—ASH WEDNESDAY, 7:00pm

Service in the Underground. Confirmation Class helping.
Ron Bell preaching. Tree of Life Praise Band performing.

LENEXA UNITED METHODIST CHURCH— JOURNEYING TOGETHER FOR 150 YEARS

Did you know that the organ we enjoy every Sunday was made just a few miles away in Lawrence, Kansas? The 2-manual and pedal pipe organ was ordered from The Reuter Organ Company in Lawrence in May 1980, at a cost of \$49,320. The organ is opus 2020 of the Reuter Organ Company (meaning it was the 2,020th organ built by Reuter since they began making organs in 1917), and it contains the equivalent of 11 ranks—a total of 716 pipes. The organ was dedicated September 27, 1981 with Dan Abrahamson, Associate Tonal Director in Charge of Voicing at the Reuter Organ Company and Organist at First United Methodist Church in Lawrence, playing at the dedicatory recital. The organ is just one of the many things that you can learn about in the book *Methodism in Old Town Lenexa: The History of Lenexa United Methodist Church 1869–2019*, which is being

written in celebration of our Sesquicentennial anniversary. Look for order information this spring, and make sure you are planning to join us for the celebration in June! This is the tentative schedule for the day.

Sunday, March 3 | 9:00 a.m. | Wesley Room

LUMC is pleased to welcome Mindy Corporon as a guest speaker during the 9:00 Sunday School hour on March 3. Mindy founded the **Faith Always Wins Foundation** following the tragic murders of her father and son in a hate crime by a white supremacist whose goal was to kill Jewish people. Since that time, Mindy’s passion has been to promote understanding, encourage kindness, and embrace diversity across races, religions, and cultures. She will speak to us about her foundation and about Give SevenDays—Make a Ripple, Change the World, an annual event that remembers those who were lost and, in their memory, seeks to create a wave of positive change for the future. Please join us for this informative event.
