Scripture: Romans 12:1-8

Title: Be A Living Sacrifice

**Introduction:** Apostle Paul writes: “I appeal to you therefore, brothers and sisters, by the mercies of God, to present your bodies as a living sacrifice, holy and acceptable to God, which is your spiritual worship” (Rom. 12:1).

1. We offer ourselves to Jesus as living sacrifice because he is a living sacrifice (Romans 12:1)

2. We offer ourselves to God through transformation and renewal (Romans 12:2)

**Conclusion:** Be transformed by the renewing of your minds! Remember your genuine identities in Jesus Christ; allow the scriptures to wash over you so that you can remember who you are, and whose you are. The kingdom of God has come near you! Do not be conformed to this world but be transformed by the renewing of your life.
