

Introduction: When you present the message of God, it is like spreading the seeds everywhere not knowing where they will fall but you have faith it will grow. When we do not plant any seeds then there is a zero percent chance of any harvest.

Galatians 5:16 "So I say, walk by the Spirit, and you will not gratify the desires of the flesh."

If you want to hear God's voice and what He wants you to do, then notice four things Peter did in Acts 10:17-23 and do them yourself:

1. REFLECT on God's word – v.17 Peter was meditating on what God had communicated to him in the vision.

2. RECOGNIZE God's word – v. 22 Recognize the word of God in other believers.

3. RESPECT God's word – v. 20. Peter was told not to doubt anything.

4. RESPOND to God's word – v. 23 Peter responded with action and obedience.

Conclusion: It is very clear that the hearing part is not that difficult. But the obedience is the part that requires some commitment. Have you heard God speak to you recently?
