Revelation 4:8-11

Title: Worship Experience- What is Worship?

In Revelation chapter 4, there are 2 groups of worshippers giving us details of what worship is all about:

1. Worship is about GLORIFYING God.
2. Worship is about HONORING God.
3. Worship is GIVING THANKS to God.

The Four Creatures and 24 elders give thanks to God with their mouth. Why?

In addition to truly worshipping God in the time set aside for worship, we also need to worship him in the way we live our lives. But the point here is that we need to do the specific things that glorify, honor, and give thanks to God while we are worshipping God together on a Sunday.

The 4 creatures and the 24 elders are not passive worshippers of God, but active. The creatures and elders sang with their mouths. The elders went down on their knees as they worship God.

Prayer of commitment:

Lord Jesus, I have failed to worship you as I should. Please help me to become a true worshipper. Help me to not be afraid to raise my voice to praise you. Help me to listen to your word then obey it. Help me to be grateful and express my thanks to you with my mouth. Help me to do all this in public worship on Sundays, but also every day at home when I am alone with you.
